It is updated periodically as content becomes available. You may download a copy of the journal articles or white papers for your own use as long as copyright notices are maintained within the downloaded articles. Linking directly to articles is prohibited and will result in an error if not logged in to the web application software.

2. Permitted License Uses and Restrictions.

(a) Subject to the terms and conditions of this License, you are granted a limited non-exclusive license to use the Web Application Software on one single device at a time. Unless as provided in a separate agreement between you and ESF, this License does not allow the Web Application Software or its copyrighted algorithms to exist within your own software or be branded within your own name separately from the Web Application Software, and you may not distribute access to the Web Application Software for commercial purposes or allow your login credentials to be used by others for personal or commercial purposes.

(b) You may not, and you agree not to or enable others to, copy (except as expressly permitted by this License), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Web Application Software or any services provided by the Web Application Software or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or by licensing terms governing use of open-source components that may be included with the Web Application Software).

(c) By creating a PDF, capturing the screen, printing the screen, or storing data within the Web Application you are making a disclosure of data. In some jurisdictions, it is unlawful to disclose certain consumer data to a third party without prior permission from the consumer or proper disclosure to the consumer of the potential for data disclosure. By using the Web Application Software you agree that you are authorized or legally permitted to disclose the data and all legal disclosure requirements have been met. If you are a consumer user of the Web Application Software for your own purposes, by using the Web Application Software you agree to allow for the storage and use of the data within the Web Application Software for all legally allowed purposes.

(d) You agree to use the Web Application in compliance with all applicable laws, including local laws of the state/territory or county in which you reside or in which you use the Web Application Software.

4. Consent to Use of Data.

(a) Diagnostic and Usage Data. You agree that ESF and may collect, maintain, process and use diagnostic, technical, usage and related information, including but not limited to unique system, software or hardware identifiers, information about your tablet, web enabled phone, computer or other web based access device that is gathered periodically to provide and improve ESF's products and services, facilitate the web application software updates, product support related to the Web Application Software, and to verify compliance with the terms of this License. ESF may use this information for any or all of the purposes described above.

(b) Location Data. ESF, Google maps through their Google map API, and other third party data providers may provide certain services through the web application software that rely upon location information. To provide and improve these services where available, ESF, Google maps and third party data providers may transmit, collect, maintain, process and use your location data, including the real-time geographic location where you are accessing the web and of where you use the web application software. The location data and queries collected by ESF are collected in a form that does not personally identify you and may be used by ESF, Google maps and other third party data providers to provide and improve location-based products and services. By using any location-based services in the web application software, you agree and consent to ESF's, Google maps' and other third party data providers' transmission, collection, maintenance, processing and use of your location data and queries to provide and improve such products and services. Google's privacy policy may be accessed at <http://www.google.com/policies/privacy/>

(c) Data stored within web application software. By using the web application software, you agree that ESF may store data input by you or uploaded by you from your web enabled device in perpetuity and automatically make the data available to the web application software on demand including but not limited to the PV Value® and Ei Value™ web application software. The web application software will allow you to save, modify or remove the data from your viewport through the graphical user interface to improve the accessibility and validity of the data and your own unique user experience; however, the data may not always be deleted from the database even if it is removed by you from your own unique viewport within the web application software. It is important to note that some of the same data is already contained within the local permitting authority and county assessor databases and available to the public through broad public record laws.

(d) Advertising. ESF may provide interest-based advertising to you through the web application software. Although we do not currently have plans to show interest-based advertising through the web application software, you are hereby notified that we may do so in the future without any further notice.

(b) You understand that by using any of the Services, you may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any address or property search or entering of a unique property id may automatically and unintentionally generate links or references to objectionable material. Nevertheless, you agree to use the Services at your sole risk and that ESF shall have no liability to you for content that may be found to be offensive, indecent, or objectionable.

(c) Neither ESF nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of utility rate data, utility escalation rate data, interest rate data, investment rates of return data, discount rate data, location data, valuation data, estimated kWh data, or any other data displayed by any Services. Data displayed is for general informational purposes only and should not be relied upon as investment or valuation advice. The web application software is not an appraisal replacement tool and users are encouraged to seek the services of a competent, knowledgeable and properly licensed valuation professional.

(d) If you upload any content such as logo's or pictures regardless of format, you represent that you own all rights for, or have authorization or are otherwise legally permitted to upload, such content and that such content does not violate any terms of service elsewhere. You agree that the web application software contains proprietary content, information and material that is owned by ESF and/or their licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright and trademark. You agree that you will not use such proprietary content, information or materials other than for permitted use of the web application software or in any manner that is inconsistent with the terms of this License or that infringes any intellectual property rights of a third party or ESF. No portion of the web application software may be reproduced in any form or by any means. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the web application software, in any manner, and you shall not exploit the web application software in any unauthorized way whatsoever, including but not limited to, using the web application software to transmit any computer viruses, worms, trojan horses or other malware, or by trespass or burdening network capacity. You further agree not to use the web application software in any manner to harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that ESF is not in any way responsible for any such use by you using the web application software.

6. Termination. This License is effective until terminated. Your rights under this License will terminate automatically or otherwise cease to be effective without notice from ESF if you fail to comply with any term(s) of this License. Upon the termination of this License, you shall cease all use of the Web Application Software. Sections 4, 5, 6, 7, 8, 9, 12 and 13 of this License shall survive any such termination.

7. Disclaimer of Warranties.

7.1 If you are a customer who is a consumer (someone who uses the Web Application Software outside of your trade, business or profession), you may have legal rights which would prohibit the following limitations from applying to you, and where prohibited they will not apply to you. To find out more about rights, you should contact a local consumer advice organization.

7.2 YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, USE OF THE WEB APPLICATION SOFTWARE AND ANY SERVICES PERFORMED BY OR ACCESSED THROUGH THE WEB APPLICATION SOFTWARE IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU.

7.3 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WEB APPLICATION SOFTWARE AND THIRD-PARTY SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE", WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND ESF AND ESF'S LICENSORS (COLLECTIVELY REFERRED TO AS "ESF" FOR THE PURPOSES OF SECTIONS 7 AND 8) HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE WEB APPLICATION SOFTWARE AND SERVICES, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS.

7.4 ESF DOES NOT WARRANT AGAINST INTERFERENCE, THAT THE FUNCTIONS CONTAINED IN, OR SERVICES PERFORMED OR PROVIDED BY, THE WEB APPLICATION SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE WEB APPLICATION SOFTWARE AND SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, THAT ANY THIRD-PARTY SERVICE WILL CONTINUE TO BE MADE AVAILABLE, THAT DEFECTS IN THE WEB APPLICATION SOFTWARE OR SERVICES WILL BE CORRECTED, OR THAT THE WEB APPLICATION SOFTWARE WILL BE COMPATIBLE OR WORK WITH ANY THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD-PARTY SERVICES. USAGE OF THIS WEB APPLICATION SOFTWARE MAY AFFECT THE USABILITY OF THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES WHEN EXPORTING OR IMPORTING DATA OUT OF OR IN TO THE WEB APPLICATION SOFTWARE.

7.5 NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ESF OR AN ESF AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SHOULD THE WEB APPLICATION SOFTWARE OR THIRD-PARTY SERVICES PROVE DEFECTIVE, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY REMEDIES OR CORRECTION.

8. Limitation of Liability. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT SHALL ESF BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, CORRUPTION OR LOSS OF DATA, FAILURE TO TRANSMIT OR RECEIVE ANY DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO YOUR USE OR INABILITY TO USE THE WEB APPLICATION SOFTWARE AND SERVICES OR ANY THIRD-PARTY SOFTWARE OR APPLICATIONS IN CONJUNCTION WITH THE WEB APPLICATION SOFTWARE OR THIRD-PARTY SERVICES, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF ESF HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. 9. Digital Certificates. The Web Application Software contains normal web functionality that allows it to use 2048 bit digital certificates issued for ESF by third parties. YOU ARE SOLELY RESPONSIBLE FOR DECIDING WHETHER OR NOT TO RELY ON A CERTIFICATE ISSUED FOR ESF BY A THIRD PARTY. YOUR USE OF DIGITAL CERTIFICATES IS AT YOUR SOLE RISK. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ESF MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, AS TO MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, ACCURACY, SECURITY, OR NON-INFRINGEMENT OF THIRD PARTY RIGHTS WITH RESPECT TO DIGITAL CERTIFICATES. Although encrypted data sent with a 2048 bit digital certificate may be deemed by many to be safe and not decryptable in transit with modern computing hardware, there is no guarantee that encrypted data sent with a 2048 bit digital certificate today, captured in transit and stored by a third-party will not be decryptable later with computing hardware

either currently under development or developed in the future by Governmental or non-Governmental entities.

If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.

13. Complete Agreement; Governing Language. This License constitutes the entire agreement between you and ESF relating to the Web Application Software and supersedes all prior or contemporaneous understandings regarding such subject matter. No amendment to or modification of this License will be binding unless in writing and signed by ESF.
